Registration form

Conference registration takes place through web-site:

<http://imttc.umcs.lublin.pl/registration.php>

Publication of papers

The full texts of presentations will be published in the *Journal of Thermal Analysis and Calorimetry*.

"We can accept papers exclusively through the Editorial Manager system, so you are kindly asked to follow the instructions at:

www.editorialmanager.com/jtac/

It is essential to mark in the "Comments" field that this paper belongs to the 33rd International Conference on Vacuum, Microbalance and Thermoanalytical Techniques and 3rd COMPOSITUM Conference, Hybrid Nanocomposites and Their Applications.

The papers will be refereed by independent reviewer(s). The deadline of submission is one month later than the conference. The publication is expected at the first part of 2012. Though, the papers can be read on the OnlineFirst much more earlier." (*Judit Simon, Editor-in-Chief*)
